

Instruction Manual

Portable air ionizer

Contents

- 1 x Airogard portable air ionizer
- 1 x USB charging lead
- 1 x Lanyard with quick release
- 1 x Lithium rechargeable battery

Operating Instruction

1. Open the cover, then install the battery.
(Please pay attention to the electrode).
2. Fix the strap
3. If you need to hang the purifier on your waist, please fix the clip.
4. Turn the switch, the LED light inside is on and the unit begins to work.
5. Recharge battery using the USB lead into a USB computer port or USB wall plug. Switch Airogard to off position and recharge for 5-8 hours.

Functions and Features

1. Anion: More than 1 million anion are generated per second, which can help you avoid suffering from smog and dust, and you can breath freely in the fresh air.
2. Ozone: Ozone density is less than 0.04PPM, which can help eliminate germs and odours and kill bacteria.
3. LED light: built-in LED.
4. Energy saving: Adopted super energy-saving technology.

Parameters

Product size	Power supply	Power rating	Applicable area	Applicable object
55x77x24 (mm)	3V	1W	2m ²	Personal and pet health protection

Maintenance & Safety

1. Please clean the anion/ozone window with a dry brush after a period of working.
2. When the LED light doesn't work, please replace/recharge the battery.
3. Don't put any wire into the unit.
4. Don't clean with a corrosive cleaner (turn off before cleaning).
5. Don't use in high temperature, flammable or explosive environments.
6. Avoid liquids.
7. Disassembly by an authorised technician only.
8. Keep the anion/ozone window clear.

Statement of Warranty

The manufacturer warrants the Airogard device to be free of defects in material and workmanship for a period of 1 year from date of purchase from an authorised distributor or dealer. Should it be determined that the product is defective in either material or workmanship the manufacturer will either repair or replace the device, at their option.

Liability whether based on contract, tort, warranty or any other theory, shall not exceed the price of the device whose defect or damage is the basis of the claim. Under no circumstances or event will the manufacturer or its suppliers, dealers or distributors be liable to the user for any damages, including any lost profits, savings or incidental, consequential, personal or physical damages arising from the use or inability to use the product.
